

From Principal's Desk

Dear Friends,

It is my pleasure to wish you a hearty welcome to our institution. Nalbari Commerce College, Nalbari, Assam, is a premier co-educational institution of higher education in commerce. Experiencing the absence and realizing the urgent need of such an institution, a good number of people representing different walks of lives comprising educationists and intellectuals, social workers, thinkers, businessmen had made a drive to establish Nalbari Commerce College and consequently the college came into existence in 1979. While mentioning some of the personalities of pre-inception period of Nalbari Commerce College, among others late Dr. Nripendra Malla Buzarbaruah, first President of Preparatory Committee for promoting the college, late Trailokya Nath Goswami, renowned literateur and the first Principal, Sri Pramode Chandra Chakrabarty and Dr. Chandra Kanta Talukdar, Joint Secretaries Sri Ramani Barman, the then Minister of State for Education, Assam etc. deserve important mention.

Since the inception of the college, it has been our sincere effort to provide quality higher education in commerce to more than fifteen thousand students under the auspices of a team of dedicated teachers. The alumni of our college enjoyed a healthy platform in our institution where they could cultivate knowledge and wisdom and now they have been serving humanity in various ways as right human resources.

We also feel proud that we have also been providing an opportunity to fulfill the dream of acquiring higher education to those learners who could not complete their higher education in their primetime owing to various problems through the Study Centers of IDOL, Gauhati University, K.K. Handiqui State Open University and Assam State Open Schooling, AHSEC, Assam.

I wish you for a successful journey in search of learning. I do hope and believe that your aspirations will be fulfilled and nourished under the aegis of our dedicated teachers. It is our expectation that your association with us will provide us intellectual joy and inspiration to work better for a better tomorrow.
